

Atlantic Great Dane

Date: April 24, 2015

From: Scott Lamb, President

To: All Employees of Atlantic Great Dane

Subject: Promotion of Gene Masteller from Sales Manager to Vice President of Sales

I am pleased to announce the promotion of long-time employee Gene Masteller to the position of Vice President of Sales. Gene has been a dedicated employee here at Atlantic Great Dane for more than 25 years. He has been in the sales department for over 21 years and has consistently surpassed sales goals and helped us earn a reputation as an honest and reliable trailer dealer in both Maine and across the country. There are very few people that have more knowledge or integrity in the trailer industry.

In assuming his new duties as Vice President of Sales, Gene will continue to oversee the operation of the sales department and extend support to the other sales facets within our dealership.

I know you all will be supportive of him as he assumes his new role within our company. Please join me in congratulating Gene and Darlene on his new role at Atlantic Great Dane.

Sincerely,

Scott D. Lamb

President

Atlantic Great Dane
